

Dear Amanda-Clearcreek Local School District Residents:

We have heard you. Now, we would like your input and your voice.

The ACLSD Board of Education and the A-C District office administration are working with the Ohio School Boards Association (OSBA) to deliver an electronic survey to our community seeking your opinions and thoughts as to how we may better serve our school district and community as a whole. We need your feedback!

Please 'Save the Date,' Monday, July 9th, to kickoff our official survey for Amanda-Clearcreek Schools, which will last 2 weeks! You will be able to easily take this survey on any computer or mobile device.

We value any and all feedback that will help us as a District Leadership Team.

Thank you for your time and consideration.
