As a volunteer of Amanda-Clearcreek Schools, I agree to the following:

- I understand that any volunteers who work or apply to work unsupervised with children on a regular basis will be required to provide a set of fingerprints at any time so that a criminal records check can be conducted. I understand that I should never allow myself to be alone with a child on school grounds without proof that I have submitted to and passed a Bureau of Identification and Investigation check.
- If I must be absent from a scheduled time with the children, I will notify the coordinator or the school as much in advance as possible.
- I agree to abide by the school rules and Board of Education regulations which are applicable to me.
- I understand that the Amanda-Clearcreek Schools are required by law to protect the privacy of student information and student records. I also understand that as a volunteer working in the Amanda-Clearcreek Schools, I will have access to a great deal of information about students that is not available to the general public. Further, I agree that:
 - Except in cases of emergency, I will treat all information about a specific student as being confidential. This includes such things as:

 - things a student says in school
 - things that happen to a student in school
 - discipline or punishment of a student
 - any other information which relates specifically to one student
 - I will discuss individual students with school staff members only.
 - I will not discuss any child outside of the school environment.

- If I have questions about whether any student information is confidential, I will ask a teacher or school administrator before disclosing the information to any other persons.
