We are off and running. It is hard to believe that we are already half way through the first quarter. ***If you ever have questions or concerns, please feel free to contact your child's teacher or me.*** We are glad to help and appreciate working with you. We are all on the same team and want your child to succeed!

PTO is looking for volunteers to help with the Mumkin pick up event on Saturday, Sept. 29th. We need help unloading the truck, organizing the mums and loading cars for pick up. If you are able to help, even if just for an hour or so, please contact PTO at acespto.ac@gmail.com or contact an officer.

Looking for information about the school? The best way to find it is on our Amanda-Clearcreek website. We are constantly updating it, sending pictures of student work and linking upcoming events. New to our District website is the Bullying Quick Link. Please visit this link to be informed of our bullying, reports, policies and reporting procedures.

Ask Mrs. Wagner – here are some common questions I get asked:

1. ***Do teachers put all of the supplies in one bin so any student can get them?*** NO, each student has a 2-gallon baggie with their personal supplies in them. When a student runs out, that parent is notified. If there are extras at the end of the year, they will be returned home with that child.

2. ***How much homework should my child have?*** Every night students should read! Sometimes they may have math homework or another assignment. The time varies by grade, but 5-20 minutes is average. If your child is working on homework for hours at night, let the teacher know. No student should ever work that long. It's not productive or worth the fights. Homework is simply a reinforcement of the school day.
