

Dear Amanda-Clearcreek Families,

Due to staff availability and availability of substitutes, we will begin remote learning for all K-12 students on Monday, November 16, 2020 with the intention to return to in-person instruction on Tuesday, December 1st. Please find the plans for Amanda-Clearcreek Local Schools below:

Teachers will report to school to provide remote instruction from 8:00 AM to 3:30 PM Monday - Thursday and Friday 8:00 AM - 11:00 AM. To accommodate parents who are unavailable during the day, teachers will host two, two hour evening office hours each week Monday - Thursday. Teachers will be in contact with families to establish evening office hours. Additional information regarding academic expectations will be communicated by each building principal.

We will continue to utilize Google Classroom for lesson delivery. Hot spots are available in our community, and we are hopeful that these locations will make it more convenient to obtain the internet. Hot spots will be available at the following locations:

- Heidelberg Church in Stoutsville (currently available)
- Mt. Carmel United Church at 7205 Clearport Rd. SW (currently available)
- Oakland Methodist Church in Oakland (currently available)
- Royalton Community Church at 515 Amanda Northern Road (currently available)
- Miracle Hill Church at 6103 Hopewell Church (available after November 19th)
- You can also come to the school parking lot for internet services.

As a reminder, the district has provided parent resources for remote learners: [Parent Resources for Remote Learners](#). These resources cover Chromebook issues, Google Classroom, and other digital platforms used as educational resources. If you experience issues with your device, please complete the Remote Tech Support Ticket, which can be found in the link above.

We will begin delivering meals on Wednesday, November 18, 2020. The sign-up must be completed by 5:00 PM Saturday, November 14, 2020, which gives us enough time to order meals. Additional sign-ups will not be accepted after the deadline. The link below can be used to sign up for meal delivery, and it will also be texted to families: [Meal Delivery Sign-Up \(Nov. 18th - Nov. 24th\)](#).

On Friday, November 27th, I will make an all-call to indicate our intentions to return to in-person instruction or remain in a remote setting until further notice. This phone call will come from the following number: 740-675-1970. Again, my decision to return will be based on active COVID cases, staff availability, and availability of substitutes.

Again I ask that we follow all proper protocols to keep yourself and family members as safe as possible and to help reduce the spread of COVID and other communicable diseases.

Until November 27, be safe, be careful and stay healthy

Sincerely,
J.B. Dick, Superintendent
