

ACHS - Senior Yearbook Picture Submissions

The following options are available to seniors for their portrait in the yearbook:

Option 1: Professional Photo - Seniors may choose to submit a senior portrait that was taken by a professional photographer. If the senior chooses this option, it is important to schedule the photo shoot with the photographer early in the school year. To achieve a consistent look among all senior photos and ensure a quality yearbook is produced, all submitted photography must meet the following yearbook requirements:

- Senior must be centered in the photo, facing the camera, both eyes visible.
- Pose must be a waist-up shot. No full body shots.
- Sunglasses cannot be covering the eyes.
- No weapons or additional people can be visible in the photo.
- The yearbook club reserves the right to crop photos as needed and all photos are subject to the approval of the yearbook staff and advisor.
- Photo must be vertical. No horizontal photos.
- Deadline: Must be submitted by email no later than February 1, 2019
- Submit photo in digital format. All photos must be at least 300 dpi in resolution and saved as a JPEG file. No print photos will be accepted.
- Files must be named with the senior's legal last name, legal first name
ex: Smith,William.jpg
- Email submissions to:
 - hholzschuh@amanda.k12.oh.us
 - Subject: Senior Picture

**The yearbook staff reserves the right to request a different photograph should the submitted photo not meet the specifications above. If you fail to submit a replacement photo by the deadline, your Lifetouch photo will be used instead.

Option 2: Free Photo - This fall, Lifetouch photography took photos of all students. These photos are excellent quality and provide an easy way to provide a senior photo for the yearbook. Seniors who do not submit a professional portrait will have this photo used in the senior section.
